Case No. 4:17-cv-1209

COMPLAINT

The Plaintiff, Phoenix Entertainment Partners, LLC (“Phoenix”), by its counsel,
complains of the Defendants, and for its Complaint alleges as follows:

JURISDICTION OF THE COURT

1. This is an action for trademark infringement and for related state-law claims in which the Defendants stand accused of using Phoenix’s federally registered service marks without authorization in the course of providing commercial karaoke entertainment services and related ancillary services.

2. This action arises under §§ 32 and 43 of the Trademark Act of 1946, 15 U.S.C. §§ 1114 and 1125, as amended. This Court has exclusive jurisdiction over the subject matter of this action pursuant to 28 U.S.C. § 1331, in that this is a civil action arising under the laws of the United States.

3. This Court further has jurisdiction pursuant to 28 U.S.C. § 1338(a), in that this

1 civil action arises under acts of Congress relating to trademarks, and, as to the Plaintiff's federal
2 unfair competition claim, pursuant to 28 U.S.C. § 1338(b), in that the claim is joined with a
3 substantial and related claim under the trademark laws of the United States.

4 4. This Court has supplemental jurisdiction over the subject matter of Phoenix's
5 state law claims pursuant to 28 U.S.C. § 1367(a), in that the claims are so related to Phoenix's
6 federal claims that they form part of the same case or controversy.

7 5. Venue is proper in this judicial district pursuant to 28 U.S.C. § 1391(b), because
8 all of the Defendants reside in this State and judicial district.

9 6. This Court has personal jurisdiction over each of the Defendants, based upon the
10 Defendants' residence in this State and judicial district and conduct of significant business here,
11 and in that the acts of which the Defendants stand accused were undertaken in this State and
12 judicial district.
13

14
15 **THE PLAINTIFF**

16 7. Phoenix is a North Carolina limited liability company having its principal place
17 of business in Pineville, North Carolina.
18

19
20 **THE DEFENDANTS**

21 8. Defendant Anthony Utz ("Utz") is a Missouri resident, who is owner of Mo'
22 Karaoke & DJ Service and operates the equipment and provides karaoke-related services for
23 Mo' Karaoke & DJ Service.

24 9. Defendant Sports Legends LLC ("Sport") is a Missouri limited liability company
25 that operates an eating and drinking establishment under the trade name Blarney Stone Sports
26 Bar & Grill in Oakville, Missouri, at which karaoke entertainment services are provided.
27
28

1 10. Defendant Kann Inc ("Kann") is a Missouri corporation that operates an eating
2 and drinking establishment under the trade name KT's Smokehouse Saloon in St. Louis,
3 Missouri, at which karaoke entertainment services are provided.

4 11. Defendant Borgettis Bar & Grill Inc. ("Borgettis") is a Missouri corporation that
5 operates an eating and drinking establishment under the trade name Borgettis Bar & Grill in
6 Fenton, Missouri, at which karaoke entertainment services are provided.

7
8
9 **BACKGROUND FACTS**

10 12. Karaoke is a popular form of participatory entertainment commonly found in
11 bars and restaurants and other types of venues throughout the United States.

12 13. The basic premise of a karaoke show is that the venue hosting the show provides
13 patrons with access to a sound system and specially prepared karaoke accompaniment tracks, so
14 that individual patrons may perform for the crowd.

15 14. Generally, a "karaoke accompaniment track" is an audiovisual work comprising
16 a re-recorded version of a popular song without the lead vocals synchronized to a graphical
17 component containing a lyric display, cueing information, and other information.

18 15. When a karaoke accompaniment track is publicly performed, the graphical
19 component is displayed to the patron who is performing and may be displayed to the crowd as
20 well.

21
22 16. Venues that offer karaoke entertainment, including Sport, Kann and Borgettis do
23 so as part of a commercial transaction wherein the venues supply their patrons with karaoke
24 entertainment services in exchange for their patronage of the establishment and the purchase of
25 food and beverages.

26
27 17. The purchase and consumption of alcoholic beverages in connection with
28 karaoke shows is particularly encouraged to enable patrons to overcome inhibitions against

1 singing in public.

2 18. Most venues that offer karaoke entertainment, including Sport, Kann and
3 Borgettis, hire mobile entertainment operators, such as Utz, to provide the karaoke
4 entertainment services on the venues' behalf.

5 19. Phoenix is the owner of SOUND CHOICE, a leading brand of karaoke
6 accompaniment tracks that is particularly well known to commercial karaoke operations
7 including bars, restaurants, and other venues as described above.

8 20. Phoenix also licenses the use of its SOUND CHOICE brand to commercial
9 karaoke operators and venues in connection with karaoke entertainment services.

10 21. Over the course of nearly three decades in business, Slep-Tone Entertainment
11 Corporation ("Slep-Tone"), Phoenix's predecessor-in-interest, re-recorded and released more
12 than 16,500 SOUND CHOICE-branded popular songs on special compact discs known as
13 CD+G ("compact disc plus graphics") discs and, more recently, a subset of that catalog in
14 another common karaoke format, MP3+G ("MP3 plus graphics") on compact discs.

15 22. SOUND CHOICE-branded karaoke tracks are wildly popular among karaoke
16 entertainment providers, patrons, and home consumers. According to some estimates, as
17 corroborated by investigative data, more than half of all accompaniment tracks played at
18 karaoke shows in the United States originated from Slep-Tone's recordings.

19 23. The popularity of SOUND CHOICE karaoke tracks derives from the market's
20 perception that the recordings are usually the most faithful to the sound of the original recording
21 artist and as providing the most accurate singing cues as part of the video display,
22 characteristics that are highly valued by karaoke singers.

23 24. Likewise, the association of the SOUND CHOICE brand with a mobile
24 entertainment operator's karaoke business and/or with a venue's karaoke entertainment
25 offerings confers on the operator and venue a perception in the marketplace—and among
26

karaoke patrons—of legitimacy and professionalism.

THE RIGHTS OF THE PLAINTIFF

25. Phoenix is the owner of the federal service mark registrations listed in Annex A hereto (“the Sound Choice Marks”), by virtue of an assignment instrument from Slep-Tone dated February 15, 2015.

26. Slep-Tone acquired its rights in the Sound Choice Marks by virtue of its registrations based on use of the marks in commerce in connection with the advertising and performance of karaoke entertainment services, either directly or by related companies that include hundreds of controlled licensees.

27. Phoenix is also the sole member of Sound Choice Entertainment, LLC, a Texas limited liability company (“SCE”) that is directly engaged in the business of providing karaoke entertainment services to venues in various locations around the United States.

28. Phoenix and its predecessor have, for the entire time the Sound Choice Marks have been federally registered, provided the public, including the Defendants, with notice of those federal registrations through the consistent application of the symbol ® to its marks in connection with services, when and where appropriate.

29. The Sound Choice Marks are indicators of Phoenix as the origin of karaoke entertainment services provided in connection with the Sound Choice Marks.

THE ACTIVITIES OF THE DEFENDANTS

A. The Defendants’ Use in Commerce of the Sound Choice Marks

30. Defendants Sport, Kann and Borgettis (together, “the Venue Defendants”) each host karaoke shows comprising karaoke entertainment services at their respective

1 establishments.

2 31. Upon information and belief, the Venue Defendants contracted with third-party
3 operator Utz as their agent to supply karaoke entertainment services to the Venue Defendants'
4 respective patrons.

5 32. Upon information and belief, Defendant Utz and the Venue Defendants
6 advertised the availability of karaoke entertainment services at the Venue Defendant's
7 establishments at specific times, in order to inform potential patrons of the services and to
8 encourage those potential patrons to visit the Venue Defendant's establishments at those times.
9

10 33. In order to supply karaoke entertainment services to the Venue Defendants,
11 Defendant Utz prepares and executes a karaoke show by acquiring, or acquiring access to,
12 appropriate sound equipment for playing karaoke accompaniment tracks; connecting the sound
13 equipment to a source for karaoke accompaniment tracks; causing selected karaoke
14 accompaniment tracks to be played over the sound equipment; controlling the organization and
15 flow of the performances; encouraging the Venue Defendants' respective patrons to purchase
16 food and/or beverages and tip their servers and acting as the on-microphone emcee of the show.
17

18 34. As Defendant Utz and the Venue Defendants supplied the Venue Defendants
19 respective patrons with karaoke entertainment services, the Defendants caused and/or permitted
20 the Sound Choice Marks to be displayed repeatedly and frequently in connection with the
21 services.
22

23 35. The Sound Choice Marks as displayed in connection with those services are
24 identical to the marks for which Phoenix has obtained federal service mark registrations, for the
25 identical services for which those registrations were issued.

26 36. Because of the well-known association of the Sound Choice Marks with karaoke
27 entertainment services, the display of the Sound Choice Marks in connection with the services,
28 regardless of the particular song being played, acts as a general advertisement for the services as

1 well as an indicator of the quality of the services being provided.

2 37. Because of the frequent, repeated display of the Sound Choice Marks across
3 numerous instances of widely disparate songs, patrons who received karaoke entertainment
4 services from Utz and the Venue Defendants are likely to view the display of the Sound Choice
5 Marks as an indicator of the affiliation, connection, or association of the Defendants with
6 Phoenix, or of Phoenix's sponsorship or approval of the services and related commercial
7 activities, rather than merely as indicating Phoenix as the creator of the underlying
8 communicative content of any particular song being performed.
9

10 38. The foregoing activities undertaken in connection with the Sound Choice Marks
11 were undertaken in derogation of Phoenix's rights in the Sound Choice Marks.

12 39. The foregoing activities were and are undertaken without any form of license,
13 permission, or acquiescence from Phoenix and without any legitimate basis upon which such
14 activities could be legally undertaken.
15

16 40. The Venue Defendants' patrons are likely to be confused regarding the origin or
17 sponsorship of the services being supplied and regarding the affiliation or connection of
18 Defendant Utz and the Venue Defendants with Phoenix, based on their mistaken belief that the
19 services being provided are provided with Phoenix's knowledge and approval.

20 41. As a result of those activities, Phoenix has been damaged through the loss of
21 revenues associated with the sale of similar services or with a license to provide similar
22 services, as well as through the loss of Phoenix's ability to control the quality of services
23 provided in connection with the Sound Choice Marks.
24

25 42. The provision of the services as described above is an essential part of a
26 commercial transaction wherein the patrons purchase food and beverages and receive access to
27 the tracks and to the services in connection with their patronage, even if the patrons do not
28 directly pay for access to the tracks or the services.

1 43. When the karaoke shows are ongoing, the shows are generally the principal
2 entertainment focus of the Venue Defendants' establishment.

3 44. The Venue Defendants derive value from the karaoke shows in the form of
4 increased patronage and increased sales of food and beverages.

5 45. Upon information and belief, the Venue Defendants have advertised the
6 availability of karaoke shows on their respective premises, via their own advertising apparatus
7 and as an activity attributable to their respective business, rather than as adjunct or auxiliary to
8 their businesses.
9

10 46. The Venue Defendants have had actual knowledge of the foregoing activities
11 being undertaken at their respective establishments.

12 47. Specifically, Kann and Borgettis were each notified by Phoenix by letters dated
13 October 20, 2016, and Sport was notified by Phoenix by letters dated September 2, 2016, of the
14 unlicensed, infringing character of the karaoke entertainment services being provided in their
15 respective establishments.
16

17 48. In the letters, the Venue Defendants were offered information about licensing
18 and compliance programs that Phoenix offers to venues that feature karaoke entertainment,
19 along with the opportunity to bring its karaoke entertainment services into compliance with the
20 law and with Phoenix's policies regarding the use of its intellectual property.

21 49. In particular, the Venue Defendants were offered the opportunity, at no charge,
22 to request, via Phoenix's Safe Harbor program, that Phoenix evaluate the licensing status and
23 needs of its karaoke entertainment provider and to avoid liability as long as the venue took heed
24 of Phoenix's evaluation and acted accordingly.
25

26 50. None of the Venue Defendants took advantage of the Safe Harbor program.

27 51. Despite these offers, and despite their respective knowledge of the unlicensed,
28 infringing character of the karaoke entertainment services being provided in their

1 establishments, the Venue Defendants did not elect to bring their respective karaoke
2 entertainment services into compliance.

3 **B. The basis for imposing vicarious liability on the Venue Defendants**

4 52. The Venue Defendants have the right to control the means and the details of the
5 process by which their third-party agents accomplish their respective tasks, including, without
6 limitation, controlling the dates and starting and stopping times of shows, determining whether
7 particular content (such as offensive-language content) is permitted to be played at shows,
8 determining the style and genre of music played at shows, and determining whether their third-
9 party agents are permitted to use the Venue Defendants' equipment (such as television displays,
10 sound equipment, stage, etc.) as part of the shows.

12 53. In particular, the Venue Defendants have the right to control whether or not the
13 activities occur on their premises.

14 54. As noted previously, the Venue Defendants had knowledge of their agents' direct
15 infringement of the Sound Choice Marks.

17 55. Despite this knowledge, the Venue Defendants continued to use Defendant Utz
18 to commit direct infringement of the Sound Choice Marks during the course of providing
19 karaoke entertainment services to their patrons.

20 56. The Venue Defendants had the right and ability to supervise Utz's activities in
21 their respective establishments, including (without limitation) the right and ability to determine
22 whether Utz provided karaoke entertainment services in connection with the Sound Choice
23 Marks.

25 57. The Venue Defendants knew or had reason to know, based on the amounts each
26 respective Venue Defendant was paying Utz to provide the services, their respective interaction
27 with Utz, and their respective knowledge of Utz's infringement, that Utz was unlikely to be able
28 to respond for significant damages for infringement.

1 58. The arrangement between the Venue Defendants and Defendant's Utz exploited
2 Utz's marginal financial condition in two ways: first, by reducing the amount the Venue
3 Defendants had to pay Utz to provide the services in a manner that would be profitable to Utz;
4 and second, by attempting to allocate the burden of any claims of infringement to Utz, an
5 undercapitalized "dummy" operation, in a naked effort to avoid financial responsibility and
6 liability for the infringement while remaining the principal beneficiary of the infringement.

7 59. In short, the arrangement between the Venue Defendants and Utz is a sham
8 designed to reap the rewards of infringement while escaping liabilities.

9 60. Despite the Venue Defendants having knowledge of the infringing character of
10 the activities and the ability to control whether those activities occur, the Venue Defendants
11 elected not to stop the infringement from occurring in their respective establishments, instead
12 continuing to enjoy the benefits of the infringement.

13 61. As such, to the extent that it is not directly liable as an infringer, the Venue
14 Defendants are vicariously liable for the continuing infringement that has occurred and is
15 occurring on their respective premises.

16 **C. The Defendants' pattern of infringing conduct**

17 62. The Defendants' conduct as described above with respect to the Sound Choice
18 Marks is not isolated to the use of the Sound Choice Marks, but also extends as part of a large-
19 scale program of infringing activities and piracy involving numerous other producers'
20 intellectual property rights, on the same terms.

21 63. Essentially, the Defendants, and particularly Utz , with the Venue Defendants as
22 the willing beneficiaries, have built an entire business model and moneymaking scheme
23 premised on a competitive advantage derived from the infringement of the intellectual property
24 rights of others, including Phoenix.

25 64. The Defendants' activities constitute unfair competition against Phoenix's own

1 licensees, all of whom provide karaoke entertainment services without engaging in that
2 infringement, at significant cost.

3 65. The Defendants' wrongful conduct exerts illegitimate and unfair pressure upon
4 the market for karaoke services in this State and judicial district through the unlicensed use of
5 the Sound Choice Marks in connection with those services, thereby diminishing the value of
6 licenses and permissions in the hands of Phoenix, its subsidiary, and its licensees.

7
8 66. The diminution of the value of licenses encourages or forces karaoke operators to
9 forego licenses in order to compete profitably.

10
11 **FIRST CLAIM FOR RELIEF**

12 **TRADEMARK INFRINGEMENT UNDER 15 U.S.C. § 1114(1)**

13 67. Phoenix repeats and incorporates by reference herein its allegations contained in
14 the above paragraphs of this Complaint.

15
16 68. Each Defendant used a reproduction, counterfeit, or copy of the Sound Choice
17 Marks in connection with the provision of services including karaoke entertainment services, by
18 repeatedly displaying the reproduction, counterfeit, or copy of the Sound Choice Marks during
19 the provision of those services and by using the Sound Choice Marks in connection with the
20 advertising of the services.

21 69. Each Defendant's use of the Sound Choice Marks was "in commerce" within the
22 meaning of the Trademark Act of 1946 as amended.

23
24 70. Phoenix did not license or otherwise give permission to any Defendant to use the
25 Sound Choice Marks in connection with the provision of their services.

26 71. Each Defendant's use of the Sound Choice Marks is likely to cause confusion, or
27 to cause mistake, or to deceive its customers and patrons into believing that the services being
28 provided are provided with the authorization of Phoenix.

1 72. Each Defendant's acts were willful, knowing, and intentional.

2 73. The Venue Defendants, having hired third-party agent Utz to provide karaoke
3 entertainment services in their names, at their venues, primarily for the purpose of avoiding
4 liability for infringement, are additionally vicariously liable for the infringing acts of that agent.

5 74. Each Defendant's activities constitute the infringement of the federally registered
6 Sound Choice Marks in violation of 15 U.S.C. § 1114(1).

7 75. Phoenix has been damaged by each Defendants' infringing activities.

8 76. Unless enjoined by the Court, each Defendant's infringing activities as described
9 above will continue unabated and will continue to cause harm to Phoenix.
10

11
12 **SECOND CLAIM FOR RELIEF**

13 **UNFAIR COMPETITION UNDER 15 U.S.C. § 1125(a)**

14 77. Phoenix repeats and incorporates by reference herein its allegations contained in
15 the above paragraphs of this Complaint.
16

17 78. Each Defendant has supplied karaoke entertainment services to customers or
18 patrons, in connection with which the Sound Choice Marks were used in the advertising and
19 performance of the services and not merely as an adjunct to the playing of any particular
20 communicative content contained within karaoke accompaniment tracks.

21 79. The use of the Sound Choice Marks is likely to cause confusion, or to cause
22 mistake, or to deceive the customers or patrons into believing, falsely, that Phoenix sponsored
23 or approved the Defendants' services and commercial activities.
24

25 80. Because of each Defendant's wholly unauthorized uses of the Sound Choice
26 Marks in the manner described above, Phoenix was denied revenue from the sale or licensing of
27 authorized services and deprived of control over the use of the Sound Choice Marks.

28 81. Because Phoenix has been denied this revenue and control, it has been damaged

1 by each Defendant's uses.

2 82. Phoenix is a provider of karaoke entertainment services, directly, through
3 controlled licensees, and through its wholly owned subsidiary SCE.

4 83. Each Defendant's activities are part of a program and money-making scheme
5 premised upon the unlicensed use of the Sound Choice Marks in connection with karaoke
6 entertainment services and ancillary services that form part of the economic transaction among
7 Utz, the Venue Defendants and the Venue Defendants' patrons.

8
9 84. Each Defendant's activities in furtherance of this program of infringement have
10 caused a competitive injury to Phoenix, both directly and on the basis of damage to Phoenix's
11 licensees.

12 85. Each Defendant's activities constitute unfair competition in violation of 15
13 U.S.C. § 1125(a).

14 86. Unless enjoined by the Court, each Defendant's unfair competition activities as
15 described above will continue unabated and will continue to cause harm to Phoenix.
16

17
18 **THIRD CLAIM FOR RELIEF**

19 **MISSOURI ANTI-DILUTION R.S.MO. § 417.061 AGAINST DEFENDANTS**

20 87. Phoenix repeats and incorporates by reference herein its allegations contained in
21 the above paragraphs of this Complaint.

22 88. The Sound Choice Marks are valid and distinctive.

23 89. The use of the Sound Choice Marks by the Defendants is likely to injure the
24 business reputation and/or dilute the distinctive quality of the trademarks, and will cause
25 irreparable damage to Phoenix in violation in R.S.Mo. § 417.061.

26 90. As such, Phoenix has been damaged and is likely to be further damaged by the
27 unauthorized use of the Sound Choice Marks unless enjoined by the Court.
28

FOURTH CLAIM FOR RELIEF

COMMON LAW UNFAIR COMPETITION

91. Phoenix repeats and incorporates by reference herein its allegations contained in the above paragraphs of this Complaint.

92. Defendants used and knowingly directly benefited from the use of a reproduction, counterfeit, or copy of the Sound Choice Marks in connection with the provision of services including karaoke entertainment services, by displaying the reproduction, counterfeit, or copy of the Sound Choice Marks during the provision of those services.

93. Defendants' use of the Sound Choice Marks was "in commerce" within the meaning ascribed by Missouri common law.

94. Phoenix did not license Defendants to use the Sound Choice Marks in connection with the services provided to its commercial establishments.

95. Use of the Sound Choice Marks by the Defendants in connection with their karaoke entertainment services is likely to cause confusion, or to cause mistake, or to deceive patrons at the respective venues in which Defendants provide karaoke entertainment services, including the Venue Defendants' respective venues, into believing, falsely, that the services those patrons are receiving, in exchange for their patronage and purchases, are bona fide services authorized by Phoenix.

96. Defendants' acts were willful and knowing.

97. Phoenix has been damaged by infringing activities of Defendants.

98. Unless enjoined by the Court, Defendants' infringing activities as described above will continue unabated and will continue to cause harm to Phoenix.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff Phoenix prays for judgment against each of the Defendants severally, and that the Court:

A. Find that each Defendant has committed acts of infringement, including but not limited to counterfeiting, of the federally registered Sound Choice Marks, in violation of 15 U.S.C. § 1114(1);

B. Find that each Defendant has engaged in unfair competition detrimental to Phoenix in violation of 15 U.S.C. § 1125(a);

C. Enter judgment against each Defendant and in favor of Phoenix on all applicable counts;

D. Award to Phoenix each Defendant's profits and the damages sustained by Phoenix because of that Defendant's conduct in infringing the Sound Choice Marks, or, in the alternative, statutory damages per trademark infringed by counterfeiting, and in any event in an amount not less than \$50,000 per Defendant;

E. Award to Phoenix each Defendant's profits and the damages sustained by Phoenix because of that Defendant's acts of unfair competition under 15 U.S.C. § 1125(a);

F. Award to Phoenix treble, punitive, or otherwise enhanced damages, as available, upon a finding that any Defendant acted willfully in the conduct of its infringement;

G. Order that all computer disks, drives, or other media belonging to Defendant Utz, which media enable that Defendant to engage in infringement as described herein, to be delivered up or seized for destruction;

H. Grant Phoenix preliminary and permanent injunctive relief against further infringement of the Sound Choice Marks and further false designations of origin, by each Defendant, specifically including injunctive relief against the making, copying, sharing, selling, or otherwise using digitized copies of karaoke accompaniment tracks, commercially or otherwise, which tracks are marked with any mark or other designation belonging to any party from whom the Defendant has not obtained written authorization from the owner thereof to make, copy, share, sell, or otherwise use the digitized copy, such copies acting to enable the

1 Defendant to engage in service mark infringement, unfair competition, and deceptive trade
2 practices;

3 I. Award Phoenix its costs of suit and attorney's fees, to the extent not awarded
4 above; and

5 J. Grant Phoenix such other and further relief as justice may require.
